HON. BARBARA LEE

Ms. LEE. Mr. Speaker, I rise to recognize and honor Richard Umansky's service to children and their families in the East Bay and Northern California. His highlights include developing and realizing a vision of comprehensive diagnostic and therapeutic services of the highest quality for the child with developmental disabilities; establishing and directing the Children's Hospital Oakland Child Development Center from 1965 to the present with the mission of providing diagnostic, treatment and prevention services for children with or at risk for disabilities, and their families; providing leadership in developing a wide range of service organizations for persons with disabilities, including the Regional Center of the East Bay; working collaboratively with community organizations to effectively link health care with other services for children with disabilities, such as the schools; training hundreds of health care providers, including physicians, public health nurses, NICU nurses, infant development specialists, therapists, nutritionists, psychologists and others; serving as a community and state advocate for improved services and funding for individual children and groups of children with disabilities; conducting and collaborating on basic and clinical research in the areas of child development, medication, behavioral therapies, and nutritional management of children with specific disorders.

Dr. Umansky has made a positive and profound impact on the lives of many individuals and organizations in our community. His leadership skills and dedication will be sorely missed. I proudly join his many friends and colleagues in thanking and honoring him for his remarkable career with Children's Hospital Oakland and extending to him my best wishes on his upcoming retirement.

EXTENSIONS OF REMARKS

EAGLE SCOUTS HONORED

HON. WILLIAM O. LIPINSKI

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 1999

Mr. LIPINSKI. Mr. Speaker, it gives me great pleasure to bring to the attention of my colleagues, sixteen outstanding young individuals from the 3rd Congressional District of Illinois, who have completed a major goal in their scouting career.

The following young men of the 3rd Congressional District of Illinois have earned the high rank of Eagle Scout in the past months: George C. Hollich, Jason Staidl, Scott Joschko, Edward A. Distel, Joseph Jania, Erik A. Koster, Robert J. Landers, Jr., Thomas X. Polanski, Geoffrey Nikiel, Daniel S. Kantorski, Steve A. Debnar, Marc T. Sands, David Kantorski, Kyle Rusnak, Mark Dries, and Brian E. Backstrom. These young men have demonstrated their commitment to their communities, and have perpetuated the principles of scouting. It is important to note that less than two percent of all young men in America attain the rank of Eagle Scout. This high honor can only be earned by those scouts demonstrating extraordinary leadership abilities.

In light of the commendable leadership and courageous activities performed by these fine young men, I ask my colleagues to join me in honoring the above scouts for attaining the highest honor in Scouting—the Rank of Eagle. Let us wish them the very best in all of their future endeavors.

VERN STOVER RECOGNIZED FOR
LONGTIME COMMITMENT TO BOY
SCOUTING

HON. MICHAEL G. OXLEY

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 1999

Mr. OXLEY. Mr. Speaker, I rise today to salute an outstanding community leader who has devoted himself to public service throughout his life: Mr. Vern Stover of Mansfield, Ohio. His dedication in volunteering his time to the Boy Scouts of America has led to his being honored with the Heart of Ohio Council's Good Scout Award.

The Good Scout Award is presented to civic and community leaders who commit to living by the Scout Oath and the Scout Law, and who demonstrate a longstanding commitment to Scouting. In his 14 years as an active Scouting volunteer, Vern has more than proven his commitment and dedication to the Boy Scouts, serving in numerous capacities on various boards and committees. He is currently the chairman of the Council Advisory Board, and is a member of the Council Executive Board and the Council Long-Range Plan Properties Committee. Vern is also a Past Council Commissioner and Past National Council Representative.

Vern is a retired agent of the Federal Bureau of investigation, and currently serves as a common pleas court bailiff. In addition to his extensive work with the Boy Scouts, he also

has an active record of community service with SCORE and Rotary.

As a fellow former FBI agent, I am honored to recognize my friend Vern for his exemplary record of public service, and to add my congratulations to that of many others as he receives the Good Scout Award.

A TRIBUTE TO AN OUTSTANDING
PAGE, MS. KAREN RENE SCHULIEN

HON. JOHN EDWARD PORTER

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 1999

Mr. PORTER. Mr. Speaker, I rise today to pay tribute to Karen Rene Schullen who has served with distinction as a House Page from September of last year until the afternoon of Friday June 11, 1999. Karen carried out her duties with a smiling face and a good attitude. She provided near-flawless service, emerging as one of only a handful of pages to not receive a single demerit the entire year! Indeed, on many days, she performed her assignments with such speed that the page directors let her leave early because she had finished all the work they could find for her! Her dedication and hard work, coupled with a friendly demeanor, serve as an example we would all be better for following.

Karen's successes speak to the strengths of the page program. Karen and her fellow pages have had the opportunity to watch historic proceedings in these chambers, including a presidential impeachment, debate on the declaration of war, and the deliberations of the budget process. Without the page program, these exceptional young people would not be able to have such learning experiences. This is a wonderful program, and I am happy to be a part of it.

Mr. Speaker, Karen served with distinction and poise, making all our jobs easier and more enjoyable. I heartily congratulate Karen on her service, and officially thank her for the time and friendship she has offered in service to the U.S. House of Representatives.

TRIBUTE TO DR. E. NEAL
ROBERTS

HON. GEORGE E. BROWN, JR.

OF CALIFORNIA

HON. JERRY LEWIS

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 16, 1999

Mr. BROWN of California. Mr. Speaker, for a number of years now, my colleague Mr. LEWIS of California and I have shared the distinct honor of representing the City of San Bernardino in the House of Representatives. It is a diverse, every-growing and ever-changing community with unique challenges and residents dedicated to working together and to making our local quality of life the best it can be. Today, we wish to recognize the outstanding achievements of a gentleman who has seen the city through a myriad of changes

and who has influenced countless lives through several generations. He has served the heart of this city—its public education system—for 45 years.

Dr. E. Neal Roberts has been with the San Bernardino City Unified School District since 1954. He began as a teacher, then served as an elementary school vice principal and principal, then made his way to the district office, holding three assistant superintendent posts. In 1982, he was chosen to be the Superintendent of San Bernardino City Schools, and in an era where superintendents of urban school districts come and go in as little as three or four years, Dr. Roberts dedicated 17 years of vision and commitment to the children in our community.

Dr. Roberts' list of achievements is practically endless. He is the true definition of an educator and a leader. During his tenure, Dr. Roberts led the district to become recognized across the state for developing and implementing outstanding programs in desegregation, student achievement and performance at grade level, school and student safety, and an assessment/accountability system for all K-12 principals and schools. His long list of honors and awards include the University of Redlands Excellence in Teaching Award, a San Bernardino County Schools Distinguished Service Award, the Golden Apple Award, a Living Legend Recognition Award, and a Citizen of Achievement Award from the League of Women Voters.

Yet what distinguishes Dr. Roberts is not his long list of awards, but his spirit of kindness, professionalism and fairness, and his clear dedication to children and to the community. He is deeply admired and respected by many, especially teachers, throughout the city. Dr. Roberts has been an inspiration and guiding force through good times and bad for the City of San Bernardino. He has seen the city through desegregation, working hard for racial equality; through economic downturns and base closures; and through ever-changing demographics that add new challenges for the school system. He has been a steady presence for students and their families and has always given his best to our community.

Dr. Roberts' stewardship has set an outstanding example and we are proud that he is our constituent. When he retires this month he will be sorely missed, yet his legacy will undoubtedly remain for years. We consider ourselves lucky to have worked with Dr. Roberts and extend our sincere thanks and appreciation for his years of remarkable service and our best wishes for the future.

AVIATION INVESTMENT AND REFORM ACT FOR THE 21ST CENTURY

SPEECH OF

HON. JIM KOLBE

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 15, 1999

The House in Committee of the Whole House on the State of the Union has under consideration the bill (H.R. 1000) to amend title 49, United States Code, to reauthorize

programs of the Federal Aviation Administration, and for other purposes:

Mr. KOLBE. Mr. Chairman, I rise in opposition to H.R. 1000.

Although I support the reauthorization of the FAA and the Airport Improvement Program, I find the manipulation of the current budget structure in this bill detrimental to the fiscally sound budget process the Republicans have been fighting for, and have achieved, as the majority party.

Why do we want to take a step backwards, back to when this House was governed by a tax and spend policy, in a misguided attempt to drastically inflate a federal agency's budget?

Where is the Republican agenda—the agenda to make the federal government smaller, leaner, more efficient?

It is disappointing to see the bill come before the House today under the slogan of "unlocking the Aviation Trust Fund." Federal trust funds are not your run-of-the-mill trust fund that can be compared to a family or business trust fund. These federal trust funds are authorizations for appropriations, and this has always been the intent since their creation.

But, don't take my word for it. Let me quote a CRS report:

Whatever their intended purposes, federal trust funds are basically record-keeping devices that account for the spending authority available for certain programs. Although frequently thought of as holding financial assets, they do not.

I repeat: trust funds do not hold financial assets; there is not money in them.

The report goes on to say:

Simply stated, as long as a trust fund has a balance, the Treasury Department has authority to keep issuing checks for the program, but balances do not provide the treasury with the cash to cover these checks.

So if it's the right policy to take trust funds off-budget, where is the cash going to come from to cover the checks written on the trust fund balances? Are we going to cut funding for our schools, for law enforcement, for environmental programs, for our Veterans? Are we going to increase the debt, raise taxes? I hope not.

And we are not talking about a few dollars. There are over 100 federal trust funds, and this bill deals with only one. But, at the end of FY1997, these trust funds had a combined "virtual balance" of \$1.520 trillion—that's one and a half trillion dollars! If we are going to unlock our trust funds because this money was intended for specific purposes, we need to find \$1½ trillion to put real money into these funds.

In addition, we simply cannot govern a nation by compartmentalizing our budget through dedicated funding streams. Revenue streams must be spent on the nation's priorities as a whole. You can't run a business by restricting cash flows to expenses directly attributable to their related sales. Can GM effectively compete in the world market if the money they received from selling shock absorbers couldn't be used for maintenance of brake manufacturing equipment? No. GM can't, and neither can the federal government.

We need to take a step back and understand where this road leads us. I understand

the supporters of this measure see guaranteed money every year. Wouldn't this be nice if everyone had a guaranteed stream of cash flowing into their coffers every October First? But, that is not the way to run a fiscally responsible government.

Republicans have governed our nation's tax dollars with restraint and have given the taxpayer some of this money back with tax cuts. Let's not sabotage 4 and a half years of work. We should be looking at ways of streamlining federal agencies, not bloating their budgets by creating a mandatory account and increasing the taxes for this account.
